

Capability Statement

Community Pastor Care, LLC (CPC) is a Service Disabled Veteran Owned Small Business (SDVOSB) operated by a host of prior military veterans and senior administrator personnel for the past seven plus years. CPC provides contracted transportation services to government and commercial customers for: Valet Service, Courier Service, Shuttle Buses, Wheelchair accessible vans, Ambulatory, Stretcher, and Ambulance transport for non-Emergency Medical services. When transporting clients, our dispatcher and licensed drivers determine the client's special needs and provides the adequate vehicle to meet those requirements. Our incident free safety record shows we are caring and passionate about the service we provide.

Core Competencies:

As a Transportation Company, CPC has transported, our Veterans, Medicaid, Medicare and private Insurance clients to and from their medical appointments with specialized care. Additionally, we provide Valet, Shuttle Bus, and Courier service with the capability to performed other services for agencies that has other specialized transportation needs.

Our Socio-economic Certifications include, but are not limited to...
